Verde Services is committed to ensuring that its business is conducted accordingly to ethical, professional and legal standards in a fair, honest and open manner. We will endeavour to ensure that this is reflected in every aspect of business that we undertake so that we bring integrity to all our dealings.

Bribery and corruption expose Verde Services, its employees and business partners or any persons or companies performing services for or on behalf of Verde Services to the risk of criminal prosecution and harming Verde Services reputation.

Accordingly, Verde Services is committed to operating a zero-tolerance approach to all forms of bribery and corruption by implementing and enforcing effective systems in accordance with the UK Bribery Act 2010 (the “Act”), which came into force on 1 July 2011.

Because of this Verde Services intends that all employees;

**SUCCESS:** The success of Verde Services anti-bribery and corruption measures depends on all employees of Verde Services playing their part in helping to prevent bribery. Verde Services actively encourages employees and those acting for or on behalf of Verde Services to report any suspected bribery in accordance with the procedures set out in the Policies or in the case of third parties to the Senior Management. Verde Services will support any individual who makes such a report in good faith and will not be penalised for doing so.

As part of our commitment to the UK Bribery Act 2010 (the "Act"), we will communicate this Policy to all employees and organisations working on our behalf and ensure the latest version is made available on our website for interested parties to openly view it as appropriate.
